# Coffee Corner

A woman walks into a veterinarian's waiting room. She's dragging a wet rabbit on a leash. The rabbit does not want to be there.

"Sit, Fluffy," she says. Fluffy glares at her, and sopping wet, jumps up on another customer's lap, getting water all over him. "I said sit, now there's a good fluffy," says the woman slightly embarrassed. Fluffy then starts a fight with a Doberman and pursues it out of the office.

As the woman leaves to go after it, she turns to the rest of the flabbergasted customers and says: "Pardon me, I've just washed my hare, and can't do a thing with it!"

Three guys are about to be executed and they are asked what they wish to have for their last meal.

The Italian responds, Pepperoni Pizza, which he is served and then executed.

The Frenchman requests a Filet Mignon, which he is served and then executed.

The Jew requests a plate of strawberries.

"STRAWBERRIES???"

"Yes, Strawberries."

He is told "But they are out of season!"

"So, I'll wait.."

Some people are only alive, because it is illegal to kill.

Dumb and Dumber exited and locked the car in a hurry, forgetting to remove the keys from the ignition.

Realizing the mistake, Dumb asked, "Why don't we get a coat hanger to open it."

"No, that won't work" answered Dumber. "Some people will think we're trying to break in."

Then Dumb suggested, "What if we use a pocket knife to cut around the rubber, then stick a finger in and pull up the lock?"

"No," said Dumber. "People will think we are to dumb to use a coat hanger."

"Well," sighed Dumb, "we'd better think of something fast. It's starting to rain, and the sun roof is open!"

A sixth grade class is doing some spelling drills. The teacher asks Tommy if he can spell 'before.' He stands up and says "before, B-E-P-H-O-R."

The teacher says, "No, that's wrong. Can anyone else spell before?"

Another little boy stands up and says, "Before, B-E-F-O-O-R

Again the teacher says, "No, that's wrong." The teacher asks, "Little Johnny, can you spell 'before'.

Little Johnny stands up and says, 'Before, B-E-F-O-R-E."

"Excellent Johnny, now can you use it in a sentence?"

Little Johnny says, "That's easy. Two plus two be fore."

At the circus, the clowns don't talk.

Two men were walking home after a party and decided to take a shortcut through the cemetery just for laughs, right in the middle of the cemetery they were startled by a tap-tap-tapping noise coming from the misty shadows. Trembling with fear, they found an old man with a hammer and chisel, chipping away at one of the headstones.

"Holly Cow, Mister," one of them said after catching his breath, "You scared us half to death—we thought you were a ghost! What are you doing working here so late at night?"

"Those fools!" the old man grumbled.

"THEY MISPELLED MY NAME!"

Barry who was noted for his tact was awakened one morning at four o'clock by his ringing telephone.

"Your dog's barking, and it's keeping me awake," said an irate voice.

Barry thanked the caller and politely asked his name before hanging up.

The next morning at four o'clock, Barry called back his neighbor.

"Sir," he said, "I don't have a dog."

Jolene had been wanting new kitchen cabinets for a long time, but her husband insisted that they were an extravagance.

She went to visit her mother for a few weeks, and when she returned, she was overjoyed to find her new cabinets installed.

A few days later a neighbor said, "All of us were so glad that the fire your husband had while you were gone was confined to the kitchen."

A henpecked husband was advised by a psychiatrist to assert himself. "You don't have to let your wife bully you." He said. "Go home and show her who is boss." The husband decided to take the Doctor's advice. He went home, slammed the door, shook his fist in his wife's face, and growled. "From now on you're taking orders from me. I want my supper right now, and when you get it on the table, go upstairs and lay out my clothes. Tonight I am going out with the boys. You are going to stay at home where you belong. Another thing, you know who is going to tie my bow tie?"

"I certainly do," said his smiling wife calmly and rather sweet, "The undertaker."

A man decides to go ice fishing so he walks a little way out on the ice to cut a hole. He is just about to start cutting when he hears a booming voice from above..."THERE ARE NO FISH UNDER THE ICE." Startled, he looks around but seeing nothing he decides to try his luck a little further out on the ice. Once again, just as he is about to cut a hole in the ice a loud voice from above says, "THERE ARE NO FISH UNDER THE ICE." Once again the man decides to move a little further out on the ice when the voice says, "THERE ARE NO FISH THERE EITHER." Cowering by this time the man says, "Are you God?" And the voice responds, "NO. I'M THE RINK MANAGER."

One Friday morning a teacher came up with a novel way to motivate her class. She told them that she would read a quote and the first student to correctly identify who said it, would receive the rest of the day off. She started with "This was England's finest hour." Little Suzy instantly jumped up and said, "Winston Churchill."

"Congratulations," said the teacher, "you may go home early."

The teacher then said, "Ask not what your country can do for you, but. "Before she could finish the quote, another young lady belts out. "John F. Kennedy." "Very good," says the teacher, "you may go also." Irritated that he missed two golden opportunities. Little Johnny said, "I wish those girls would just shut up." Upon overhearing this comment, the outraged teacher demanded to know who said it. Johnny instantly rose to his feet and said, "Bill Clinton. I'll see you on Monday."

A Texan farmer goes to Australia for a vacation. There he meets an Aussie farmer and gets to talking. The Aussie shows off his big wheat field and the Texan says, "Oh! We have wheat fields that are at least twice as large."

Then they walk around the ranch a little, and the Aussie shows off his herd of cattle. The Texan immediately says, "We have longhorns that are at least twice as large as your cows." The conversation has, meanwhile, almost died when the Texan sees a herd of kangaroos hopping through the field. He asks, "And what are those?" The Aussie replies with an incredulous look, "Don't you have any grasshoppers in Texas?"

A police was patrolling near midnight at a local parking spot overlooking a golf course. He drove by a car and saw a couple inside with the dome light on. Inside there was a young man in the drivers set reading a computer magazine and a young lady in the back seat calmly knitting. He stopped to investigate. The police officer walked up to the driver's window and knocked. The young man looked up and opened his window. The boyish looking driver said, "Yes, Officer."

"What are you doing?" the policeman asked.

"What does it look like I'm doing.

Confused, the officer asked, "And how old are you young man?"

"I'm nineteen," he replied.

"And how old is she?"

The young man replied after glancing at his watch, "Well, in about twelve minutes she'll be eighteen.

## WHY WHY WHY

Does the reverse side also have a reverse side?

Why is the alphabet in that order?

If you got into a taxi and he started going backwards, would the taxi driver end up owing you money?

What would a chair look like if you were bent the other way? Why is a carrot more orange than an orange?

Do fish gets cramps after eating?

How come abbreviated is such a long word?

If it is going to be zero degrees outside today and it's supposed to be twice as cold tomorrow, how cold is it going to be?
